Everyone had a spectacular time. Our comedian, Joe Klocek, performed flawlessly. I heard back from him, and some of our members as well, that our guests were a very tough crowd. I also heard from several dentists, that Klocek was very funny, and that they enjoyed him immensely.

The wine, compliments of Dr. Sabrina Nassar, was fabulous. I will probably count it among my favorites. If you want to purchase a bottle or two, give me a call. Best offers win. We will donate those funds to the CDA Foundation as well. Speaking of which, we raised a total of \$6000 in donated monies, \$2400 in raffle tickets alone. Thank you Dr. Asselin for helping to set this up and for selling the tickets. Everyone should all be very proud of themselves for the great donations. Thanks. You made FMDS look good.

Our caterer was Wedgewood Catering. They did an excellent job. I thought the selections were good (cause I chose them of course), but I believe everyone enjoyed the different dishes.

We offered 5 types of beer for our loyal beer drinkers. At the end of the evening only one beer was left. I only heard one complaint (well two actually) and that was the location—downtown not the best area they said; and secondly, the acoustics in the building were poor. Other than that, there were suggestions about holding another such event next year.

We received financial support from The American Dental Association, The California Dental Association and Patterson Dental. If you see a Patterson rep, tell them thank you for their donation. With all of their help, we were able to keep within our budget and provide a memorial evening for all who attended.

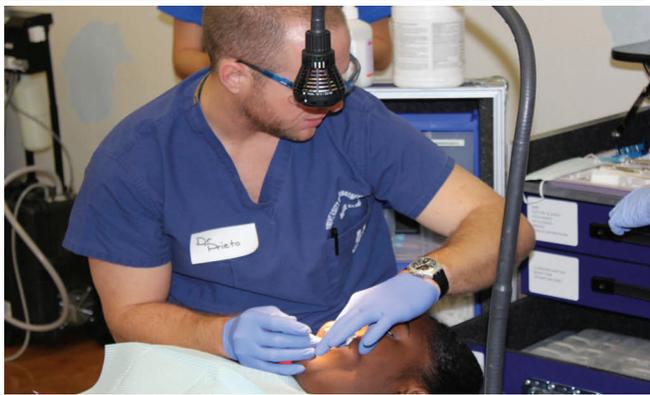

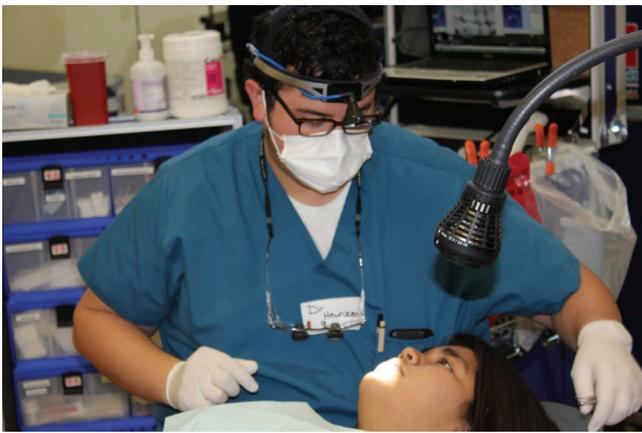

team smile's Mission

TeamSmile creates connections between volunteer dental professionals, professional athletic organizations, and children's service groups to provide underserved kids a life changing experience in which the excitement and allure of high profiles sports reinforces the value of life-long commitment to dental health and oral hygiene. "Our mission is to provide no cost oral health education, screening, treatment and preventative care to underserved children and youth in the greater Kansas City area and throughout the United States."

On Saturday, November 10, member dentists, assistants and hygienists as well as members of the public met to fulfill TeamSmile's mission, treating approximately 160 kids from surrounding areas. The families of those treated and the dental society thank Dr. Xavier Gutierrez, Henry Schein, and FMDS member dentists whose donations to TeamSmile made it possible to provide this event. Also thank you to all who volunteered, making this fourth year of TeamSmile a success.
