

*Join Our Amazing Team of  
Dentists & Orthodontists!*

All About Smiles Dental is looking for fun energetic Pediatric Dentists and General Dentists for the Central California area for our new office in Fresno, California. We are a private locally owned large group practice of awesome pediatric dentists and orthodontists with the best management staff. We are looking for someone who is kind, patient, and understanding to patients, parents, and staff. Doctor compensation is a daily minimum guarantee or percentage of production, whichever is greater. Our average doctor earns \$1,500+ a day. The practice accepts cash, PPO, and Denti-Cal insurances.

All About Smiles Dental is a premiere dental practice in the central valley of California. Local ownership allows frequent communication between owners and associates when an additional opinion is desired. We're all easygoing and friendly so it makes practicing as a group way less stressful and way more fun. We provide nitrous oxide in-office and general anesthesia at our local Children's Hospital.

A couple of perks about the area is that it is within short driving distances to many cool places like the **San Francisco Bay Area, Disneyland, Pacific Ocean, Yosemite and Sequoia National Parks, and Los Angeles**. It's a great place to raise a family with wonderful schools, affordable cost of living, parks, lakes, outdoor and community activities.
